

**Enterprise Authentication Login**

Welcome to a demonstration of the new Security Question functionality in EAS (Enterprise Authentication Service); this is the application that you use to authenticate into Banner and other enterprise-level applications.

This demo walks through the maintenance of Security Questions and Answers

Enterprise Authentication Service, Version 4.1

This page allows for a lot of flexibility. I can pick new questions, I can edit answers for existing questions, I can leave questions alone, and I can do any combination of the above.

I decide not to make any changes to Question 1

**Maintain Your Security Questions**

Enterprise ID: johnpublic

**CURRENT SECURITY QUESTIONS:**

- Security Question 1: What is the name of your best friend from childhood?
- Security Question 2: What is your LEAST favorite subject to study?
- Security Question 3: What is the street number of the house you grew up in?

**PROVIDE NEW ANSWERS AND/OR SELECT NEW SECURITY QUESTIONS:**

For security reasons your current answers are not displayed. You can provide new answers to any of your current questions, and you can select new questions and provide answers for them. Unchanged question/answer combinations need not have an answer populated.

Security Question 1:    
Answer 1:

Security Question 2:    
Answer 2:

Security Question 3:    
Answer 3:

For security reasons, my pre-existing answers are not displayed.

No Question can be duplicated

No Answer can be duplicated

### Maintain Your Security Questions

Enterprise ID: johnpublic

#### CURRENT SECURITY QUESTIONS:

- Security Question 1: What is the name of your best friend from childhood?
- Security Question 2: What is your LEAST favorite subject to study?
- Security Question 3: What is the street number of the house you grew up in?

#### PROVIDE NEW ANSWERS AND/OR SELECT NEW SECURITY QUESTIONS:

For security reasons your current answers are not displayed. You can provide new answers to any of your current questions, and you can select new questions and provide answers for them. Unchanged question/answer combinations need not have an answer populated.

Security Question 1:

Answer 1:

Security Question 2:

Answer 2:

Security Question 3:

- Answer 3:
- What is the name of your favorite animal?
  - What is your most memorable date?
  - What is your most memorable place?
  - What is the name of your best friend from childhood?
  - What one word best describes you?
  - What is your LEAST favorite subject to study?
  - What is the last name of your first-grade teacher?
  - What was (the name of) your favorite childhood toy? (Perhaps a sled?)
  - Where did you meet your spouse/significant other?
  - What street did you live on in third grade?
  - What was your childhood phone number?
  - What is the name of your oldest cousin?
  - What was the name of your favorite stuffed animal?
  - Where did your mother and father meet?
  - What is the name of your first boss?
  - What is the name of the company of your first job?
  - What was your favorite place to visit as a child?
  - What was your dream job as a child?
  - What is the street number of the house you grew up in?

I decide to pick a new question for Question 3

For access problems, question (Urbana & UIS) or (312) 996-48
